ABOUT US

Started in 1957 with a fuel pump at Wagholi on Pune Ahmednagar highway We have come a long way and transformed ourselves into one of the leading Total Supply Chain Solutions Providers In India. Be it warehousing, third party services, Primary, Secondary and last mile delivery, back office operations, we have mastered it all and preferred Service Partners for topmost MNCs and Indian Corporates from all sectors. Our Transport arm backed with technological advancements from placing vehicles, POD uploading to tracking and tracing vehicles and updating our valued customers has envious clientele and caters more than 7000 trips across India, Nepal, Bangladesh and now starting Bhutan. Large format warehouses for consumer durables, food, FMCG are being managed by the 1000+ logisticians which has won many awards and accolades, continues to exceed expectations of our valued clients. We are poised for a quantum leap and strongly believe in Service as a way of life.
